The 63rd International Children's Festival
in Šibenik, Croatia is held under the high auspices of the
President of the Republic of Croatia
Mr Zoran Milanović

Ponovo je pred nama tih fantastičnih četrnaest dana, ta čarolija zvana Međunarodni dječji festival u Šibeniku!

To je posebno razdoblje koje počinje već puno unaprijed: mjesecima, tjednima. Pripreme, pozivi, dogovori... tihi, prigušeni špat, dogovaranje, zujanje telefona, ubrzani koraci po stepenicama kazališta, uzbudeni glasovi, ushit. Festival se približava: marljive ruke vješaju zastavice, slažu se svečana vrata na južnom ulazu pokraj Poljane.

I onda dolazi to jutro. Okupano suncem prvog ljeta, jutro koje miriše na završetak škole, na radost i na sladoled od vanilije. To je jutro kad počinje Festival.

Šibenik tada postaje čaroban grad. Njegove bijele kamene ulice radosno sjaje u iščekivanju dječjih koraka. Velebna naša Katedrala natkriljuje se majčinski, zaštitnički nad najljepšu pozornicu na svijetu. Sve čeka taj susret: susret djece i kazališta. Šibenik se otvara u zagrljav, a k njemu u taj zagrljav jure umjetnici, glumci iz cijelog svijeta da se pridruže djeci u onom što samo umjetnici i djeca najbolje znaju – u igri.

I sve postaje kazalište i sve ostaje igra. Pale se reflektori da obasaju zvjezdanu noć, da Zdravo maleni zaori ispred Vijećnice i da se podigne najljepša zastava kazališnog zajedništva.

Ulice i trgovi, sve živi za Festival i svaki je kutak pozornica. A ni kazalište, naš dragi dom, nije zaboravljen. I tamo pozornica radosno škripi očekujući goste, a crvene mekane stolice pozivaju djecu da urone u čaroliju.

Radionice ispunjavaju tople ljetne dane najkreativnijim satima: jedni crtaju, drugi pišu, neki izrađuju lutke, neki male stolice, djeca su novinari, snimatelji, avanturisti i istraživači. Čuje se glazba, tamo neka djeca sviraju, neki pjevaju, drugi recitiraju ili glume. Djeca su umjetnici, baš onakvi kakve su prošle večeri gledali na pozornici, a koji sad kroz te posebne dane žive, uče i istražuju s njima – zajedno gradeći Festival.

Cijeli grad, cijeli prekrasni Šibenik štiti i čuva ovih četrnaest dana djecu i odrasle u jedinstvenoj namjeri – da se održi plamičak kreativnosti na surovoj vjetrometini svijeta.

Festival je velika ideja, posljednja utopija ljepote i smisla. Festival je razdoblje u kojem vjerujemo da nas kazalište može oplemeniti, izgraditi u bolje ljude, da naše odrastanje neće nikad završiti.

Vjerujemo u dijete koje svojom dobrotom može promijeniti svijet. Raširit će oči pred ljetom neke predstave, pred svjetom mašte i bajke i taj će svijet ostati trajan putokaz za plemenit i ispunjen život.

Mi koji srčano volimo kazalište, koji vjerujemo u njegovu tajnu moć, ostajemo zauvijek odani zaljubljenici Festivala. On je za nas mnogo više od predstava, od pljeska razdragane publike – on je zavjet zajedništva koji smo davno dali jedni drugima.

Kad odrastem bit ću dijete!

We are eagerly awaiting the fantastic fortnight, the magic called the International Children's Festival in Šibenik.

This is a special period of time that begins weeks and months prior to its official beginning. Preparations, invitations, agreements... quiet, barely audible whisper, arrangements, buzzing of the phone, hurried steps up and down the theatre stairs, excited voices and exhilaration. The Festival is approaching; flags and banners are being hung by tireless hands, the festival gate is being put up at the southern entrance next to Poljana Square.

And then comes the morning. The sun-drenched morning that fills us with anticipation about the school holidays, joy and vanilla ice cream. This is the morning when the Festival begins.

This is when Šibenik becomes a magical city. Its white stone streets shine happily, while looking forward to children's footsteps. The magnificent Cathedral hovers in a motherly, protective manner over the most beautiful venue in the world. Everything looks set for the meeting of children an theatre. Šibenik is ready to embrace artists and actors from all over the world, who rush to join children in what artists and children can do best – play.

Everything becomes theatre, play is what remains. The starry night will be lit by spotlights, the *Hello Kids* choir will fill the space in front of the Town Hall with their voices and the most beautiful flag of theatre community will be raised. Streets and squares, all of them live for the Festival, with every corner being a venue. Let's not forget the theatre, our sweet home. There is a creaking stage in there awaiting its guests and the red soft chairs inviting children to dive into the magic.

Workshops fill hot summer days with the most creative hours; some draw, others write, some make dolls or small chairs, children act as journalists, cinematographers, adventurers and explorers. Music can be heard, some children play or sing, and others recite or act. Children are artists, just like those that they could see onstage the night before and now on these special days, they live, learn and explore with them, thus building the Festival together.

For fourteen days the whole gorgeous city of Šibenik protects and cherishes children and adults for the sole purpose of preserving a spark of creativity from the harsh realities of the world. The Festival is a big idea, the last utopia of beauty and sense. The festival days are the days when we believe that theatre can enoble us, make us better people and make us think that our growing up will never end.

We believe in the Child that can change the world with their benevolence. The Child will have their eyes open while experiencing the beauty of a performance, the world of imagination and fairy tales, with that world remaining the lasting signpost for an honourable and fulfilled life.

We who have grown fond of theatre, we who believe in its secret power, remain loyal devotees of the Festival for good and all. It means the world to us, it is not just about performing or the applause of an enthusiastic audience, it is a vow of community that we made a long time ago.

When I grow up, I will be a child!

Ribar Palunko i njegova žena jedna je od najljepših priča proizašla iz pera Ivane Brlić-Mažuranić. Priča o ljubavi, obitelji, o važnosti onoga što imamo u ljudima koje volimo i važnosti povjerenja. Priča je to o ribaru koji svoju sreću nije prepoznao iako je stajala ispred njega. Njegova ga je pohlepa odvukla u nepredvidivi svijet bogatstva ni ne pomišljajući da sreću i životne vrijednosti treba tražiti u samom sebi. Snažna poruka o važnosti očuvanja obitelji najviše se ogleda u liku bezimene Palunkove žene koja je spremna na veliku žrtvu kako bi spasila svoje voljene od pogibli. Ljubav, poštenje, požrtvovnost, dobrota i vjera uvijek na kraju pobjeđuju ako slijedimo svoje srce.

“*Priče iz davnine* su moja davna ljubav iz djetinjstva i dok sam studirao kazališnu režiju dao sam si u zadatak da moram do kraja svog radnog vijeka na pozornici postaviti ih sve. *Ribar Palunko i njegova žena* treća su od osam postaja tog puta. Inscenacijom

ove predstave nastavljam se baviti istraživanjem i evaluacijom književnog rada Ivane Brlić-Mažuranić koja je svoj životni put započela u Ogulinu, a skončala u Slavonskom Brodu, što je još jedna vrlo bitna poveznica. Kao dugogodišnji izbornik i organizator Ogulinskog festivala bajke uočio sam koliki pozitivan utjecaj Ivanina djela imaju na djecu te sam i ovom prigodom odlučio ostati što vjerniji njenom autentičnom rukopisu u čemu mi je svesrdno pomogao i autorski tim sačinjen od dramaturginje Kristine, scenografske Valentine, skladatelja Vlatka, tehničara Miška i glumačkog ansambla. Nadam se da smo napravili predstavu zbog koje će se neki novi klinci zaljubiti u Ivanina djela te tako prenositi sjeme te ljubavi spram domaće književnosti iz generacije u generaciju.

Ribar Palunko i njegova žena, ta bezimena heroina, morali su proći kroz različite kušnje, muke i nedaće kako bi došli do jednostavne spoznaje: Pazi što želiš kako ti se to ne bi uistinu i ostvarilo!”

Palunko the Fisherman and His Wife is one of the most beautiful fairy tales created by Ivana Brlić Mažuranić. This is a story about love, family, about what we have in people we love and how important trust is. It is a story of a fisherman that was not able to recognise happiness even though it was right in front of his nose. He was sucked in an unpredictable world of riches without realising that happiness and life values need to be sought within ourselves. A strong message about the importance of preserving our family is best reflected in the character of Palunko's nameless wife, who is ready to make sacrifice in order to save her family from peril. Love, integrity, sacrifice, benevo-

lence and faith always win if we follow what our heart has to tell us. I have been fond of *Tales of Long Ago* since I was a child and while attending my theatre directing course, I made myself a promise to put them all on stage. *Palunko and His Wife* is the third of the eight stations on this journey. By staging this fairy tale, I continue to explore and evaluate Ivana Brlić Mažuranić's oeuvre; she started her life journey in Ogulin and ended it in Slavonski Brod, which creates a significant bond. As a long-time selector and organiser of the Ogulin Fairy Tale Festival, I have noticed the considerable influence Ivana's works have on children, so even on this occasion I decided to remain as faithful as possible to her authentic style, with a great deal of help by the team of authors: Kristina, dramaturge; Valentina, set designer; Vlatko, composer; Miško, technician and our group of actors. I hope we have come up with a performance that will make some new kids on the block to fall in love with Ivana's works, thereby spreading the seed of love for Croatian literature among future generations. The fisherman and his wife, the nameless heroine, were forced to go through different trials, torments and adversities in order to become aware of a simple fact. Be careful what you wish for, lest it come true.

Djevojčice Rita i Nora i dječak Lovro udomaćili su simpatične bakterije koje se ludo zabavljaju, ali im ipak stvaraju i probleme. Bljakasti i fujkasti likovi u ovoj predstavi naučit će vas važnosti higijene, ali ćete se s njima u kazalištu i jako dobro zabaviti, uz pjesmu, smijeh i jednu rođendansku zabavu.

Two girls named Rita and Nora and a boy named Lovro are hosts to some cute bacteria that have a great fun; however the bacteria cause them trouble. The yucky and sloppy characters in this performance will teach you the importance of hygiene but at the same time you will have the opportunity to enjoy yourselves with lots of songs, laughter and a birthday party.

Filar je djelo suvremenog plesa i vizualne poezije koje govori o snazi odnosa među tijelima i predmetima, odnosu koji razvija kroz povezanost i osjećaje jednih za druge, odnosu koji gradi niti i poveznice među nama. Kako osjetiti drugo tijelo, lutku, predmet u prostoru i na udaljenosti? Filarova priča je priča o svijetu i odnosima koji se grade i ruše svakodnevno. Kad dođe kriza, kako ćemo ponovno izgraditi zajednicu i osjećati da živimo u mreži niti i odnosa? Mreži koja održava nevidljive niti koje nas spajaju s našim obiteljima, prijateljima ili ljudima s kojima dijelimo naše putove.

Assistant choreographer: Toni Mira
Puppet designers: Antonella D'Ascenzi, Damiano Privitera

Cast: Antonella D'Ascenzi

Filar incorporates contemporary dance and visual poetry that talks about the strength of the relationship between bodies and objects, about a relationship that develops through relating and feeling for each other, about a relationship that builds bridges between people. How to feel another body, puppet, object in space and at a distance? Filar's story is a story about the world and relationships that are built and destroyed on a daily basis. When times of crisis come, how are we going to rebuild our community and have a feeling of living in a network consisting of links and relationships? It should be a network that will maintain invisible links with the purpose of connecting us with our family, friends or people with whom we tread the same path.

Autorski projekt *Mala Frida* inspiriran je djetinjstvom meksičke slike i jedne od najfascinantnijih umjetnica 20. stoljeća Frida Kahlo, koja je sa šest godina oboljela od dječje paralize i već kao djevojčica osjetila što to znači biti drugačiji. Naša sedmogodišnja Frida vodi u Casu Azul – obiteljsku kuću Kahlo. Frida pokušava ojačati svoju bolesnu nogu zbog koje je njezini vršnjaci izbjegavaju i zovu Frida Drvena noga. Dane provodi družeći se sa svojim roditeljima i životinjskim prijateljima, a njezina jedina prijateljica izmišljena je djevojčica Brisa. No Frida ipak mašta i o stvarnim prijateljima, a onda jednoga dana u njen život ulazi stvarni dječak Pablo koji će tek uz Fridu spoznati što znači biti prijatelj.

Little Frida is an authorial project inspired by the childhood of the Mexican painter and one of the most fascinating female artists of the 20th century Frida Kahlo, who suffered from polio at the age of six, thus experiencing a feeling of being different at a very early age. The seven-year-old Frida takes us to Casa Azul, the Kahlo family house. Frida tries to make her crippled leg stronger as it is the reason she is avoided and called Wooden Leg Frida by her peers. She spends time with her parents and animal friends, with her only friend being an imaginary girl named Brisa. She fantasises about real friends as well, so one day a real boy named Pablo enters her life. With Frida, the boy will learn the true meaning of friendship.

Šetajući gradom Giuseppe Verdi i Richard Wagner razgovarali su o melodrami i tragediji. Maestro se je malo previše zanio u žustroj i neugodnoj raspravi pa je uvrijeđeni Wagner odlučio očitati lekciju njemu i čitavom gradu: puštajući s uzice svog bijesnog psa Tannhausera. Bijesni pas izazove toliko nevolja u gradu, da Vojvotkinja obeća nagradu onome tko spasi grad od tog paklenog psa. Pristizali su tako iz svih krajeva Lovci na nagrade, ali ga nitko nije uspio uloviti. Samo ga je jedan čovjek, Giuseppe Verdi, uspio ukrotiti – glazbom!

While strolling around the city, Giuseppe Verdi and Richard Wagner talk about melodrama and tragedy. The maestro gets carried away by the heated and unpleasant discussion, so Wagner, offended, decides to teach him and the entire city a lesson; he lets his fierce dog Tannhauser off the leash. The fierce dog causes so much trouble in the city that the Duchess promises a reward to whoever saves the city from that hellhound. Hunters from all over the country arrive in the city but none of them can catch the dog. Only one man, Giuseppe Verdi, manages to tame it – with music!

Simone i Solange su postolarke i svoj posao izvršno obavljaju. Kod njih svaki par novih cipela ima svoje mjesto. Svaki par cipela pažljivo odabiru, spretno ih popravljaju, maze i paze te na kraju i prsvajaju. Simone i Solange pune su zaljubljenosti i nježnosti prema cipelama, a opet tako razigrane i maštovite da sa svakim sljedećim korakom u novim cipelama smisljavaju priče koje nas odvode daleko od naših svakodnevnih života. Zbog njih dvije nikad više nećete gledati svoje cipele na isti način, kao do sada!

Simone and Solange are cobblers and excel at their job. They want each new pair of shoes to have its own place. They choose very carefully each pair, repair them skilfully, take care of them and then keep them for themselves. They are very fond of shoes, yet they are so playful and imaginative that, with each next step in new shoes, they can invent stories that take us away from our everyday lives. Thanks to the two girls, you will never look at your shoes the same way again!

Kroz stihove djeca tako uče o empatiji, razumijevanju i moralnim vrijednostima koje svaki lik usvaja kroz pojedinu pjesmu. Kroz to ih vode priповjedačice, tj. vokalistice, pozivajući na interakciju s izvođačima.

Opera za bebe zamišljena je kao zajedničko interaktivno putovanje za velike malene i njihove malene velike. Postavljena kao živa instalacija, u ugodnom, sigurnom i mekanom prostoru, djecu poziva na slobodno kretanje i istraživanje svijeta glazbe, zvuka i pokreta, stvoreno za njih. Uzimajući kao okosnicu klasični trodijelnu strukturu, krećemo od noći, muzički i sadržajno mirne, nježne i tople, nastavljamo s jutrom, buđenjem i rađanjem svjetla, a završavamo danom, slavljem i igrom. Izvođačice, svaka kroz svoj medij (glas, pokret, instrument) vode nas na putovanje od sna do igre, od tamnog do svjetlog, od apstraktнog do konkretnog, od glasa do riječi. Ovakvim pristupom, želja nam je velike malene upoznati s novim, njima bliskim, svjetom umjetnosti, otvarajući im istovremeno taj svijet kao prostor igre i interakcije, kao prostor slobode i istraživanja svim osjetilima.

This opera for babies is conceived as a joint interactive journey for big little ones and their little big ones. Conceptualised as a living installation, in an enjoyable, safe and soft place, it invites children to move freely and explore the world of music, sound and movement, created for them only. Using the typical three-part structure as its basis, the performance starts with night that is calm, gentle and warm in terms of music and content, followed by morning, awakening and the birth of light and ends with day, celebration and play. The performers, each of them through their own medium (voice, movement, instrument), takes us on a journey from dreams to play, from the dark to the light, from the abstract to the concrete, from voices to words. We would like this approach to help big little ones learn about the new, familiar to them, world of art, while opening up this world to them as a space for play and interaction, a space for freedom and exploration with all the senses. Let's dive into ...

Jedna od najpoznatijih basni braće Grimm svakako je ona o mami kozi i njenim neposlušnim kozlićima. Već gotovo dvjesto godina ta priča upozorava na važnost roditeljskih uputa, ali i na snagu malenog pojedinca koji svojom snalažljivošću i hrabrošću može svaldati i puno većeg protivnika. Ali kozlići, kao i djeca, nisu se od tada puno promijenili, samo je svijet zaogrnuo vukove u drugačija obličja. Opatnosti i dalje vrebaju kucajući po prozorima virtualnog svijeta koji itekako ugrožava sigurnost naših najmlađih. Upravo zato ova basna nimalo ne gubi na aktualnosti!

One of the best-known Grimms' fairy tales is certainly the one about the mother goat and her disobedient kids. For nearly two hundred years this story has been pointing to the importance of parental instructions as well as to the strength of a small individual that can overcome a much larger opponent with their resourcefulness and courage. However, little goats just like children haven't changed a lot since then; it is just wolves that have assumed different forms. Dangers are still lurking, knocking on the windows of the virtual world that seriously threatens the safety of our children. This is why this fairy tale never fails to get certain values across.

Tri praščića jedna je od najpoznatijih dječjih priča koja govori o lijenososti i lakovislenosti, ali i iznova pronađenom zajedništvu i prijateljstvu. Ova predstava ima i važan ekološki trenutak – govori o štetnosti otpada i o potrebi njegovog skupljanja i pametnog odlaganja. U davna vremena u gradu su živjela mama gica i njezina tri praščića: Blatko, Kupusić i Pametnica. Njihova imena odgovaraju njihovim navikama pa je tako Blatko napravio kuću od blata, a Kupusić od kupusa. No sva tri praščića spas od vuka pronašla su u kućici koju je napravila Pametnica; naravno – od cigle.

The Three Little Pigs is one of the best-known stories for children that talks about laziness and recklessness but also about rediscovering togetherness and friendship. This performance has an important ecological message; it points to harmful effects of waste and the necessity of quality waste management. Once upon a time a mother pig and her three little pigs lived in the city. Fifer built a house of straw (mud in this performance) and Fiddler built a house of sticks (cabbage in this performance). But the three little pigs hid from the wolf in Practical Pig's house built of brick.

Priča Mačak u čizmama dokazat će nam da je sve što želimo u našim rukama. Da životni put treba koračati hrabro i širom otvorenih očiju. Promatrati svijet oko sebe tako da neprestano učimo, bogatimo se novim saznanjima, jer samo će mudrost biti naš štit da razumijemo život i da ga onda, uz malo sreće, možemo okrenuti sebi na radost.

Vjeruj u sebe, reći će Mačak, i imaj dobar plan – ostvarit će se svaki san!

The story of *Puss in Boots* will prove that everything we want is in our hands. We need to tread our path of life boldly, with eyes wide open. We need to observe the world around us to be able to constantly learn, adopt new knowledge, for wisdom will be our only shield that can enable us to understand life and then, with a bit of luck, turn it into something that will bring us joy.

Believe in yourself, Puss says, and have a decent plan – every dream will come true!

Predstava prati Ježa koji živi mirno u svjetu šume u kojem obitavaju ludi i igrom zaneseni Svinja, Medo, Sova, Vuk, Lija i Zec. Svi oni se zainteresiraju za Ježa jer je samozatajan i jer od njih ne traži ništa, zadovoljan je s onime što ima. Ova adaptacija književnog klasika pažnju obraća ne samo na kanonski narativ već i na razumijevanje bogatog svijeta šumskih likova, razumijevanje njihove pozicije i promatranje centralne figure, Ježa, kroz njihove oči. Što je to zadovoljstvo i kakve veze s tim, u svijetu koji nas uči suprotnom, ima skromnost? Što ježeva kućica znači danas i kakvu pouku od Ježa hrabrog lovca možemo izvući?

This performance is about the Hedgehog that lives peacefully in the woods inhabited by silly and playful Pig, Bear, Owl, Wolf, Fox and Hare. All of them become interested in the Hedgehog because he is self-contained and does not ask them for anything, he is happy with what he already has. This adaptation of the literary classic focuses on both the canonical narrative and a clear understanding of the rich world of the characters living in the woods, their position and observing the protagonist, the Hedgehog, through their eyes. What is satisfaction and what does modesty have to do with it, in a world that teaches us the opposite? What does the hedgehog's home represent today and what moral can we be taught by this brave hunter?

Reperoar nije, iako tako možda zvuči, predstava o kazalištu kakvo treba biti, već o onome što ostaje između temeljno pogrešnog narativa o samoodrživoj ili isključivo komercijalnoj kulturi i stvarne uloge teatra koje, kako je govorio poljski kazališni teoretičar i eseist Jan Kott, može biti i zabavno. Članovi i članice kazališne trupe kojoj prijeti gašenje zbog manjka finansija, pokušavaju se spasiti kreiranjem komada koji će imati veću ekonomsku nego estetsku vrijednost. Tragajući za njim i poigravajući se s klasičnim dramskim tekstovima, kulnim filmovima i aktualnim medijskim trendovima, pokazuju do koje mjeru karikaturalnosti se može doći podilaženjem publici, ali i potvrđuju da, parafrizirajući velikog Predraga Lucića, visoke estetike nema ako između nje i etike ne stoji znak jednakosti.

Although it may sound like that, The Repertoire is not a performance about what theatre should be but about what remains between the fundamentally flawed narrative about self-sustaining or exclusively commercial culture and the actual role of theatre that, as the Polish theatre theoretician and essayist Jan Kott used to say, can be entertaining as well. The members of the theatrical troupe that faces closure if no more money can be found, are trying to save themselves by creating a play whose economic value will be greater than the aesthetic one. While searching for it and playing with classic dramatic texts, cult films and current media trends, they demonstrate how pandering to your audience can result in ridiculous exaggeration; furthermore, they confirm that, paraphrasing Predrag Lacić, there is no high aesthetics unless there is an equals sign between it and ethics.

Aladin je jedna od najslavnijih priča iz *Tisuću i jedne noći*. U ovom mjuziku u fokusu nisu samo Aladin i princeza Badu, već i njihovi *zli parnjaci*, sultanov savjetnik Amar i princezina dvorjanka Mal, te vječno pitanje možemo li ikada pobjeći od onog što nam je uvjetovano rođenjem. Mogu li zemljama doista vladati samo muškarci ili su rod i spol nebitni? Dva simpatična duha, koji su igrom slučaja završili u istoj svjetiljci, pričaju priču o ljubavi, želji za moći, izdaji i borbi.

Aladdin is one of the most famous tales from *One Thousand and One Nights*. This musical focuses not only on Aladdin and Princess Badu but also on their *evil dopelgangers*, the Sultan's advisor Amar and Princess's handmaid Mal as well as on the eternal question of whether we can escape from what we were born with. Can countries really be ruled by men only or gender and sex are irrelevant? Two likeable genies, who accidentally end up in the same lamp, tell a story of love, desire for power, betrayal and struggle.

Kroz predstavu se dotiču poznati i manje poznati događaji iz Draženove rane mladosti. Svaka scena u predstavi ima stvarno i istinito izvorište koje je temeljeno na svjedočanstvima ljudi koji su ga jako dobro poznavali. Obavljeni su iscrpljni intervju s Biserkom i Acom Petrovićem, te s Nevenom Spahijom – Draženovim najboljim prijateljem iz djetinjstva. Upravo na temelju njihovih svjedočanstava te istraživanja, nastao je dramski tekst. Radnja predstave obuhvaća period od Draženova učenja gitare u glazbenoj školi i prvih ulazaka u košarkašku dvoranu s bratom, do povijesnog osvajanja prvenstva države s KK Šibenkom. Kroz protok vremena, pratimo dječaka koji je na početku loš u sviranju gitare, loš u košarci, a s curama

ne zna. Upravo takav dječak, u kojem se može prepoznati bilo tko od naše buduće publike, kroz predstavu, isključivo svojim radom i upornošću postiže rezultate. Ključna poruka je upravo ta, kako se u životu, u bilo čemu, bilo da se radi o glazbi, matematici, sportu ili učenju jezika do rezultata dolazi isključivo i jedino upornošću. Imajući u vidu kako se radi o jednom od najvećih hrvatskih sportaša ikada, Draženova priča idealan je poligon za prenasanje jasnih i razumljivih poruka o važnosti rada i upornosti. Prenoseći te krucijalne poruke te popularizirajući važnost sportsa, ne dopuštamo da istinske legende, kakav je Dražen bio, padnu u zaborav, već naprotiv – vode nove generacije na put stvaranja boljeg društva.

This performance includes some well-known but also some lesser-known events from Dražen's early youth. Every scene has its existing and true source that is based on the testimonies of people who knew him very well. In-depth interviews were conducted with his mother Bisera, his brother Aco Petrović and his best friend from childhood Neven Spahija. The dramatic text stems from their testimonies and other research material. The performance covers the period from Dražen's guitar lessons in the local music school to his first appearances in the basketball hall with his brother, to the historic winning of the national championship with Šibenka Basketball Club. Over the passage of time we can follow the life of a boy who at first was not good at playing the guitar, playing

basketball or dating girls. This performance can help any member of our future audience identify with the boy that accomplished outstanding results thanks to hard work and perseverance. Actually, the key message is that to have what it takes to get success in every field of life, whether it be music, maths, sports or learning languages, you need to be persistent. Given the fact that Dražen is one of the greatest Croatian athletes of all time, his story is a perfect medium for conveying clear and comprehensible messages about hard work and perseverance. By conveying these crucial messages and by popularising the importance of sports, we save true legends such as Dražen Petrović from oblivion and more importantly, we enable them to lead the way in creating a better society.

Pripovjeda: Jasna Held, profesionalna pripovjedačica, Dubrovnik

Bajke i priče dio su kulturne baštine svih naroda svijeta. Stoljećima prenošene riječju pripovjedača, pomažu ljudima u spoznaji svijeta i vlastita bitka. Živa riječ pripovjedača, prenoseći snažne slike iz svijeta bajki, slike u kojima živi duh čitava čovječanstva, novo oživljava u dušama djece i odraslih, vraćajući nas na prapočetak, pomažući nam da se suočimo sa sadašnjom zbiljom kako bismo aktivno živjeli i stvarali novo sutra.

Narrator: Jasna Held, professional narrator, Dubrovnik

Fairy tales and stories are part of cultural heritage of all peoples of the world. They have been orally transmitted by narrators for centuries, thus helping people perceive the world and their own essence. The living word of the narrator, by transmitting powerful images from the world of fairy tales, images containing the spirit of mankind, is rejuvenated in the souls of children and adults, thus taking us to the origins and helping us face the existing reality in order to live actively and create a new tomorrow.

Ket je cvrčak koji svira gitaru sa svojim bendom, zabavljući bezbrižne kukce u okolini. Nedaleko živi mrvlja princeza Antoneta, u mravinjaku gdje se cijeni samo rad i disciplina, a glazba je zabranjena. Kad se njih dvoje slučajno susretnu, među njima se rađa bliskost. Shvativši da cvrčci ne mogu preživjeti zimu, Antonela ih želi spasiti, ali bezuspješno. No kad je otme pokvareni mrv Anteodor, cvrčci predvođeni Ketom priskaču joj u pomoć – u novoj i drugačijoj adaptaciji poznate Ezopove bajke.

Ket is a cricket that plays the guitar with his band and entertains the carefree insects in the area. Not far away from there, the ant princess Antoneta lives in an ant nest in which hard work and discipline reign, with music being banned. When they meet by chance, they develop a close relationship. When she realises that crickets cannot survive the winter, Antoneta decides to save them but, alas, she does not make it. However, when the corrupt ant Anteodor kidnaps her, Kent and other crickets rush to help her – in a more recent and different adaptation of the famous Aesop's fable.
